SEA STAR
HORSE SANCTUARY

Your legacy will save horses in need.

A charitable bequest through your will or living trust can be the easiest way to have a major impact on our work to rescue and rehabilitate abused and neglected horses.

HOW IT WORKS

- Simply name Sea Star Horse Sanctuary as a beneficiary in your estate documents. You can also make an addition to your existing will or trust.
- You can choose to give a specific percentage of your estate, or what remains in your estate after other distributions have been made.
- You can name Sea Star Horse Sanctuary as a beneficiary of your retirement plan or life insurance policy by contacting your policy's administrator.
- Bequests are flexible in that you can gift a wide range of specific assets, such as securities, real estate, or personal property.
- Bequests can be modified if your situation changes and can minimize estate tax.
